Hi Privac,

Hope this message finds you well.

I am reaching out because this afternoon, I spoke to Privac Privacy, who is a veteran inching dangerously close to becoming homeless.

He is on a fixed income and does not have a Section 8 voucher. He is leaving his current place because he can no longer afford to live there; he found a place in East Hollywood with a roommate, but the management company has rejected his application to move in. While I reach out to the building owner and try to advocate on his behalf, I also don't want to risk not having contacted you proactively and have him be out on the street.

Would you be able to reach out and see how you can assist him?

His name is Privac Privacy, and he can be reached at Privacy.

Thanks in advance.

Best,  
George

Hi George,

Hope all is well. I am contacting you to provide an update on the veteran you referred to us. We were able to get in contact with the veteran and he stated he was able to catch up on his rent and will not need our services. Our contact information was provided to the veteran and was instructed to call us if he was to fall in the same situation again. Thanks for your help.
